## ABOUT ME

I am a MERN Stack Developer with hands-on experience in building full-stack web applications using MongoDB, Express.js, React.js, and Node.js. I enjoy turning ideas into clean, responsive, and scalable applications. Through academic and personal projects, I have worked on features like authentication, REST APIs, database integration, and payment gateways. I am eager to learn, grow, and contribute to real-world projects in a collaborative team environment.

## EDUCATION

### 2022 - Present

Anna university

### B.E Computer Science And Engineering

I am a final-year Bachelor of Engineering student at Anna University, Tamil Nadu, graduating in 2026. My studies have improved my technical skills and problem-solving ability, along with practical experience through projects.

### 2020 - 2022

GHSS Anakkara

### Higher Secondary

I completed my Higher Secondary Education at GHSS Anakkara, where I built a strong academic foundation and developed key skills through both classroom learning and extracurricular activities.

## EXPERIENCE

### 2025
